A) Abstract

Preferred document format are doc and text. Authors are requested to submit abstracts containing initial results. Abstracts should be typed single spaced. Font size 12, Times New Roman, A4 with 1.25 inch margins (all sides). Abstracts must contain title, full names of all contributors and affiliation of all contributors. Affiliation includes name of the organization, address and e-mail. Presenting author should be in bold. Abstracts should clearly state the purpose, method used, main results and conclusion. Number of words must not exceed 300 including formulas. Length excludes title, list of contributors (authors), affiliation, keywords.

B) Presentation

Type and format of the presentations

1. Oral presentation for plenary speakers: 30 min presentation and 10 minutes for question and answer
2. Oral presentation for parallel session speakers: Each speaker shall be given 15 minutes for oral presentation and 5 minutes for question and answer. All presentation slides need to be prepared using Microsoft PowerPoint and submitted to the organizing committee during registration.
3. Poster presentation: Poster presenters will present their poster at provided display panel. Presence of presenter is essential during all scheduled poster sessions. The size of each poster would be A1-Potrait.
